

FAMILY SERVICES & COMMUNITY PARTNERSHIPS

ABCD centers offer social services and family engagement opportunities to all qualifying families.

Family Engagement

Parents, the most important influence on a child's development, play an essential role in planning and decision making for the program. Parent involvement is highly regarded as key to a child's success.

Community Partnerships

Collaborations with community organizations enable families to connect with available resources and support services.

PHYSICAL WELLBEING

ABCD centers offer developmentally appropriate health and nutrition services to all qualifying children.

Health Services

Every enrolled child receives age-appropriate physicals and screenings. Children and families are linked with community resources to ensure access to continuous affordable health care.

Nutrition Services

Prepared onsite, meals (breakfast, lunch, and a snack) are carefully planned with a qualified nutrition consultant to assist children in meeting their nutritional needs, developing healthy eating habits, and broadening food experiences.

KINDERGARTEN READINESS

ABCD centers offer high quality bilingual education services in preparation for Kindergarten to all qualifying children.

Education Services

Culturally and linguistically appropriate classrooms provide a secure learning environment where children learn the skills necessary to succeed in school, society, and life. Areas of focus include language development, literacy, mathematics, science, creative arts, social and emotional development, individualization, physical health and development, problem solving, reasoning and initiative.

Services for Children with Disabilities

With an emphasis on the partnership between families, center staff, and early intervention professionals, strategies are developed to provide individualized services that meet the unique needs of children with disabilities.
